I. CALL TO ORDER

PRESENT: Thomas, Pomatto, Armour, Brown, Lewis, Long, Rull, Duncan, Boehm, Bresenan

ABSENT:

II. AGENDA ITEMS

1. Request for Proposals for Property Tax Software

Duncan explained that the Supervisor of Assessors Bresnan had put together two demos of property tax software. The current software dates back to 1985 and has seen its cost go up considerably over the past few years. The belief of the officials is there is a strong possibility we would get a more current system at a considerably lower price. This would seem to be important as the budget is always so tight. The request was for a request for proposals go out that would be for a new property tax software that meets the requirements of Illinois state statutes. The current contract expires on December 1st so the request also would be to send a notice to the current provider that it was the County's intent to terminate the contract on December 1st with the possibility of a short term extension.

Motion by Lewis, seconded by Armour to recommend putting out a request for proposals on property tax software and send a notice to the current vendor that the county's intent was to terminate the contract on December 1st. Voice vote:
